

Anda

Anda combines a modern, slim design with diffuse lighting. It presents itself as a compact solution, perfect both as an indoor steplight and as a wall light, allowing the creation of versatile furnishing compositions. Both models, Anda and Anda Full, have a uniform, modern aesthetic. Available in white, black, gold, silver and in the attractive two-tone black-gold and black-rosegold versions. The product can be mounted without the back plate, allowing it to enhance walls or wallpapers with an extraordinary lighting effect.
